LITTLE VOICES MAKING BIG IMPACT

We are proud to announce that our preschool children won the provisional-level poetry competition with their moving recital of “We All Deserve Access.” Their talent and confidence shone through, and this achievement reminds us that when children are given the platform, their voices can inspire communities.

GROWING TOGETHER: FROM FARMS TO FAMILIES

Our six new vertical farms at RIEKO are thriving! The children now enjoy consistent, nutritious vegetables in their daily meals, strengthening both their health and learning. In addition, we have installed a maize mill, which has not only improved food security but also created a new job opportunity for Zezekia and his family. This marks another step in linking sustainable agriculture to livelihood creation.

STRENGTHENING OUR ROOTS

We are delighted to welcome Margret Sheril as our new administrative volunteer. Her support is already helping us run more smoothly and effectively. At the same time, our rice farm is flourishing, providing both food security and learning opportunities for children and the community. Together, these efforts continue to build a stronger RIEKO family.

LOOKING AHEAD

We are currently left with the roofing of our multi-purpose building that will serve as a cafeteria and, during the floods offer a safe space for our beneficiaries. To better serve our growing community, we aim to purchase land and relocate to a new, more suitable area where we can expand our programs and impact more lives.

Dear Friends,

We are immensely grateful to all our supporters, volunteers, and partners who continue to stand by our side. And you can help by spreading the word by sharing the links below in your network: Your contribution transforms lives!
