

## Quarterly Newsletter 4 - 2025

### NEW YEAR GREETINGS!

As we begin this new year, we extend our heartfelt gratitude to everyone who has walked this journey with us. Your support, encouragement, and belief in intergenerational care continue to inspire the work we do every day. We look forward to another year of learning, growth, and shared impact.

### CELEBRATING OUR YOUNG GRADUATES

We are delighted to share that **46** wonderful children graduated last year, many of whom are lovingly raised by their grandparents. This milestone represents far more than academic achievement it celebrates resilience, love, and the strength of family and community support. Their joy and confidence truly warmed our hearts.

## SUPPORTING ELDERLY WELLBEING & DIGITAL CONFIDENCE

We were privileged to host mental health awareness sessions and digital skills training for elderly community members. These sessions created safe spaces for open conversations, emotional wellbeing, and learning new technological skills. Watching the elderly embrace digital tools with curiosity and laughter was deeply encouraging.

## CHRISTMAS CHEER & A FRESH NEW KITCHEN

We closed the year by joyfully celebrating Christmas together. A time of connection, gratitude, and sharing with friends and well-wishers. We are also excited to share that our kitchen has been renovated, allowing us to continue serving nutritious meals in a safer and more welcoming environment. We remain truly grateful to everyone who made this possible.

## LOOKING AHEAD

We are currently doing final finishing to our multi-purpose building that will serve as a cafeteria and, during the floods offer a safe space for our beneficiaries. To better serve our growing community, we are in the process of purchasing land and relocating to a new area together with Okiri and Eco Alchemy so that we can impact more lives.
